NCAID

ROOSEVELT HIGH SCHOO

Dear Doris,

Well, we are completing our junior year and next year we will be "Upper Class seniors." At least, I will be a senior, you may not be. Oh well! That's life! We were in choir and English together this year, and I certainly hope we have classes together next year also.

When I am President of the United States I will think of our high school days and remember. I may ever may you Secretary of the Exterior. Ha, now that would be an office that you would deserve.

Well seriously, best of luck always and please learn to be good.

Sincerely yours,
Friendin.
Lieb Lairesy.

P.S. Lie sind seine Gute Madchen, manchmal.

Dear,
You was real nice girl + I've enjoyed knowing you + being in the same class. Choir has been great fun + will always be remembered by me. I hope next year will really be the crazy. With you + around how can it miss? I'm wishing you the best of everything possible + I'll see you next year.
Love, Irlene Dwerd

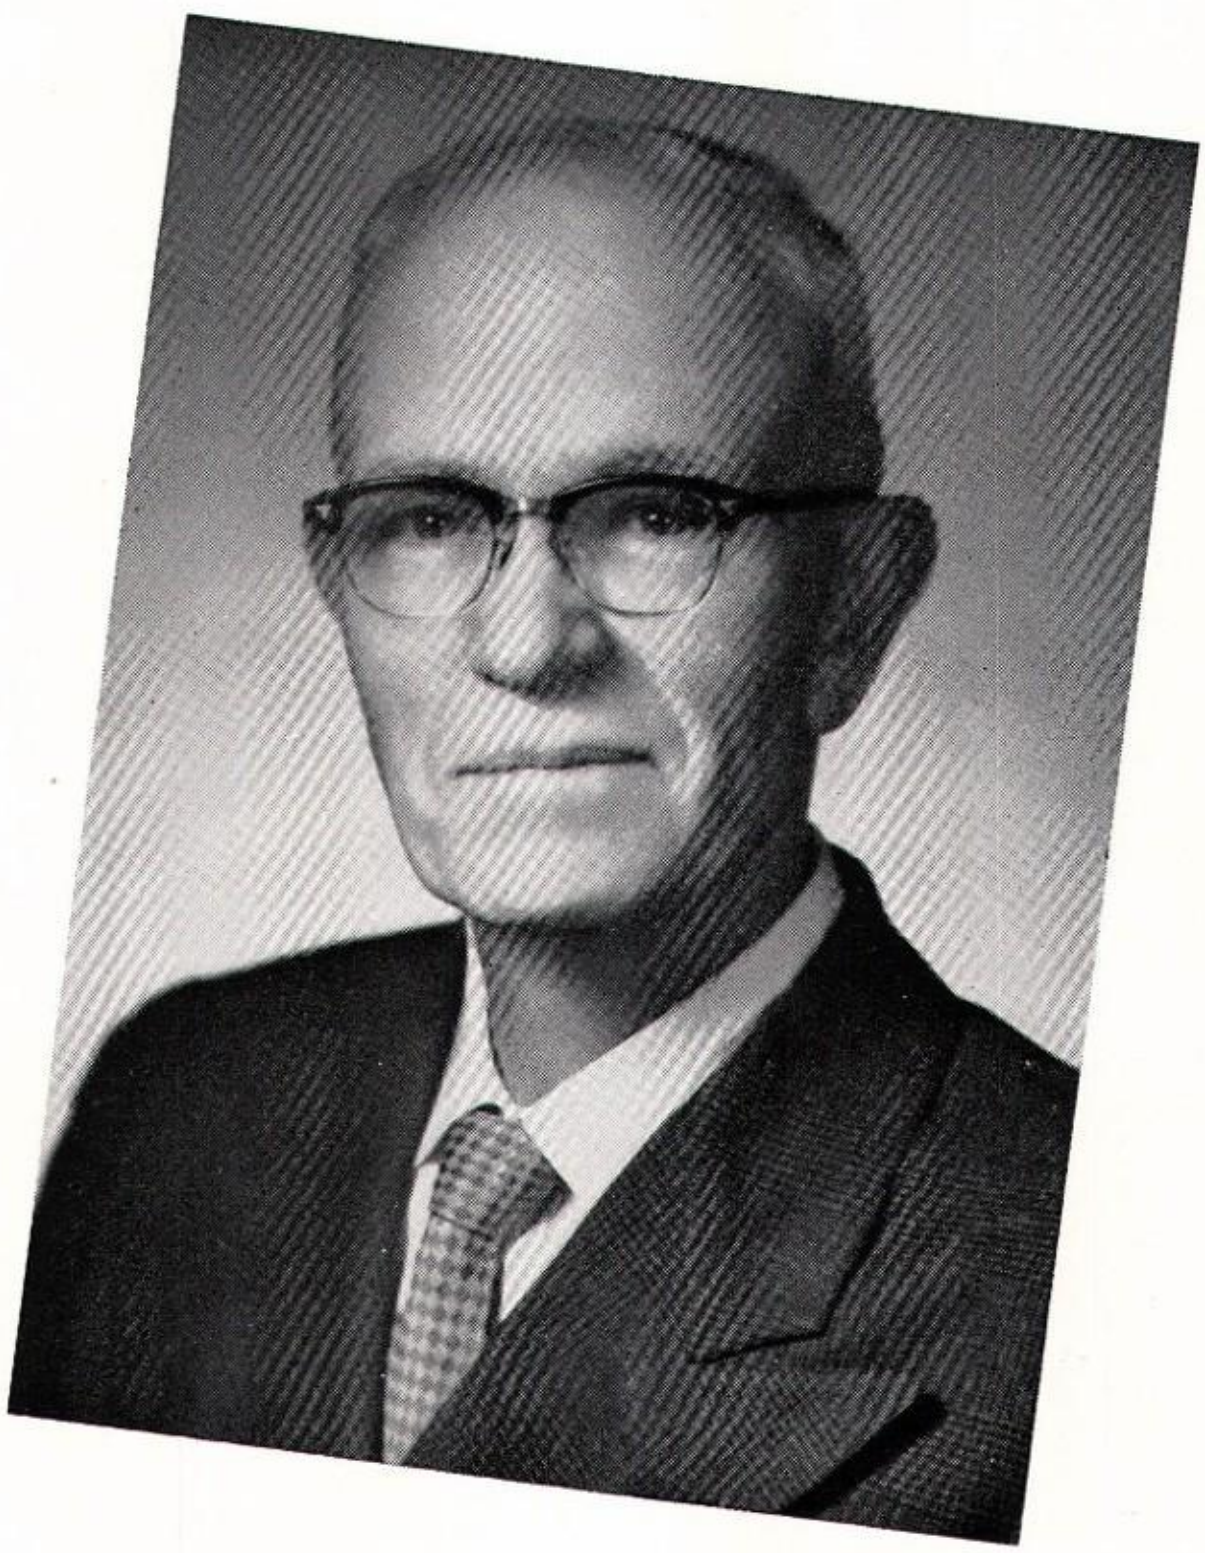
DEDICATION



The staff takes pleasure in dedicating this book to Mr. Arthur George. He has been teaching History to Roosevelt students since the school was opened in 1923.

His genuine warm smile, gentle understanding nature, and pleasant encouraging voice will never be forgotten. All those who have known him will remember him as a sincere friend, and an inspiring teacher.

Upon his retirement we wish Mr. George many years of health and happiness.

I AM THE CHILD

I am the child.

All the world waits for my coming,

All the world watches with interest

To see what I shall become.

Civilization hangs in the balance,

For what I am, the world of tomorrow will be.

I am the child.

I have come into your world

Of which I know nothing.

Why I came I know not.

How I came, I know not.

I am curious, I am interested.

I am the child.

You hold in your hand my destiny.

You determine largely

Whether I shall succeed or fail.

Give me, I pray you, those things that make
for happiness.

Train me, I beg you, that I may be a
blessing to the world.

We'll always remember the
glorious spring,
With its colorful flowers and
blossomed trees;
And we begin to feel a little sad
For spring is the last key.
The princess' selection and all
the rest
Will soon be a pleasant memory.

President Charles Geldaker

Capable Charles Geldaker led the Fall Student Council in a busy and eventful first semester.

The first problem the council met was selling student body cards. They met this challenge gallantly, and set a record, selling more cards than ever before.

The elections of the year were made more interesting by using campaign managers, and new requirements were issued for students running for an office. Also new qualifications for the Freshman Princess and Princesses were set up.

The fall student body President automatically became a member of the Spring Student Council due to a new amendment added to the constitution.

The beginning of the second semester saw Don Coffin ushered in as Student Body President.

Cleaning the cabinets in the new wing and placing the trophies in them was the first project of the new council.

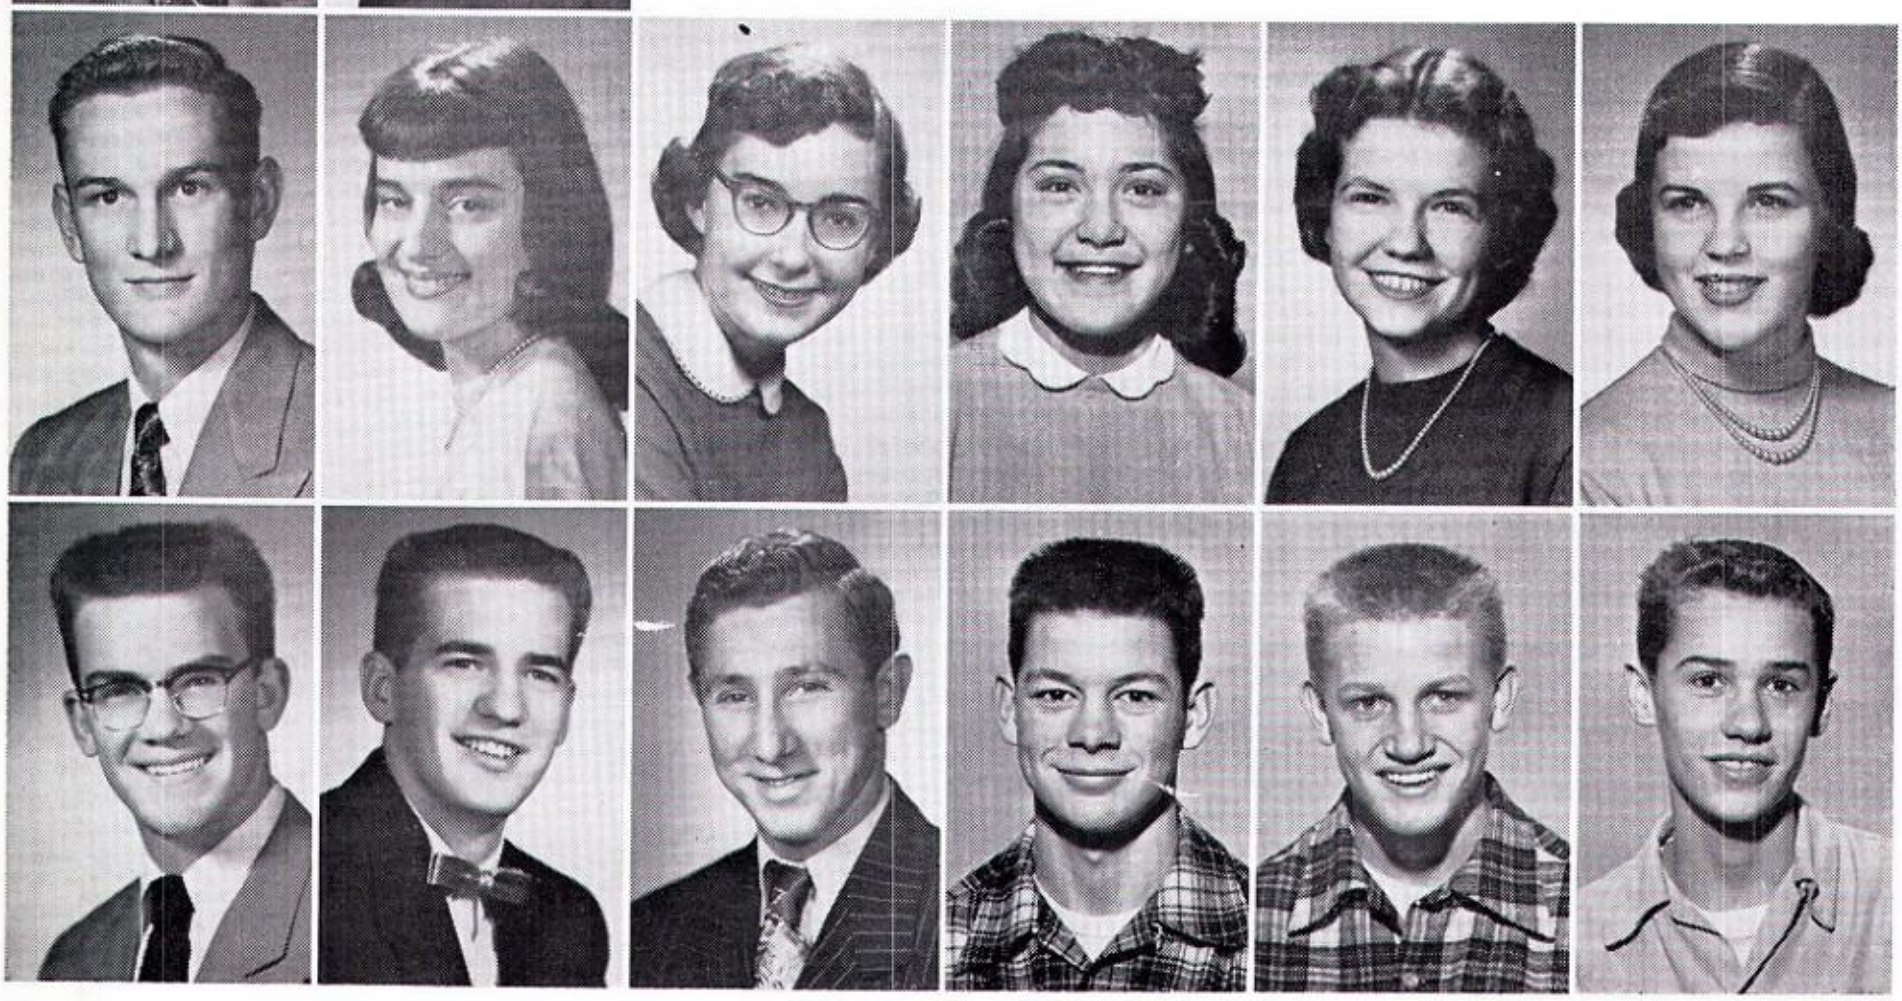
Row 1: Bob Flood, Sandra Harris. **Row 2:** Dave Wanaka, Duane Nail, Linda Long, Blanche Krulik, Billie June White, Joan Dennis. **Row 3:** Curtis Knight, Bill Wiitala, Jerry Kadlec, Dale Erickson, Tom Morris, Mike Bopp.



Playing records during lunch hours was a new and successful method of reminding students to keep their cafeteria clean.

A mimeographed copy containing the minutes of each Student Council meeting was presented to all reg. rooms to keep everyone posted on the happenings around school.

Several motions concerning student body cards were discussed. As an outcome of this, it is necessary to hold a SBC before you can cast a vote in the elections.

To climax this progressive year a movie containing all football and basketball games, dances, and plays was made and shown to the student body by Mr. Craig.

The Junior-Senior Prom, and many other activities of the year were greatly improved by the efficient student councils presiding at Roosevelt this year.

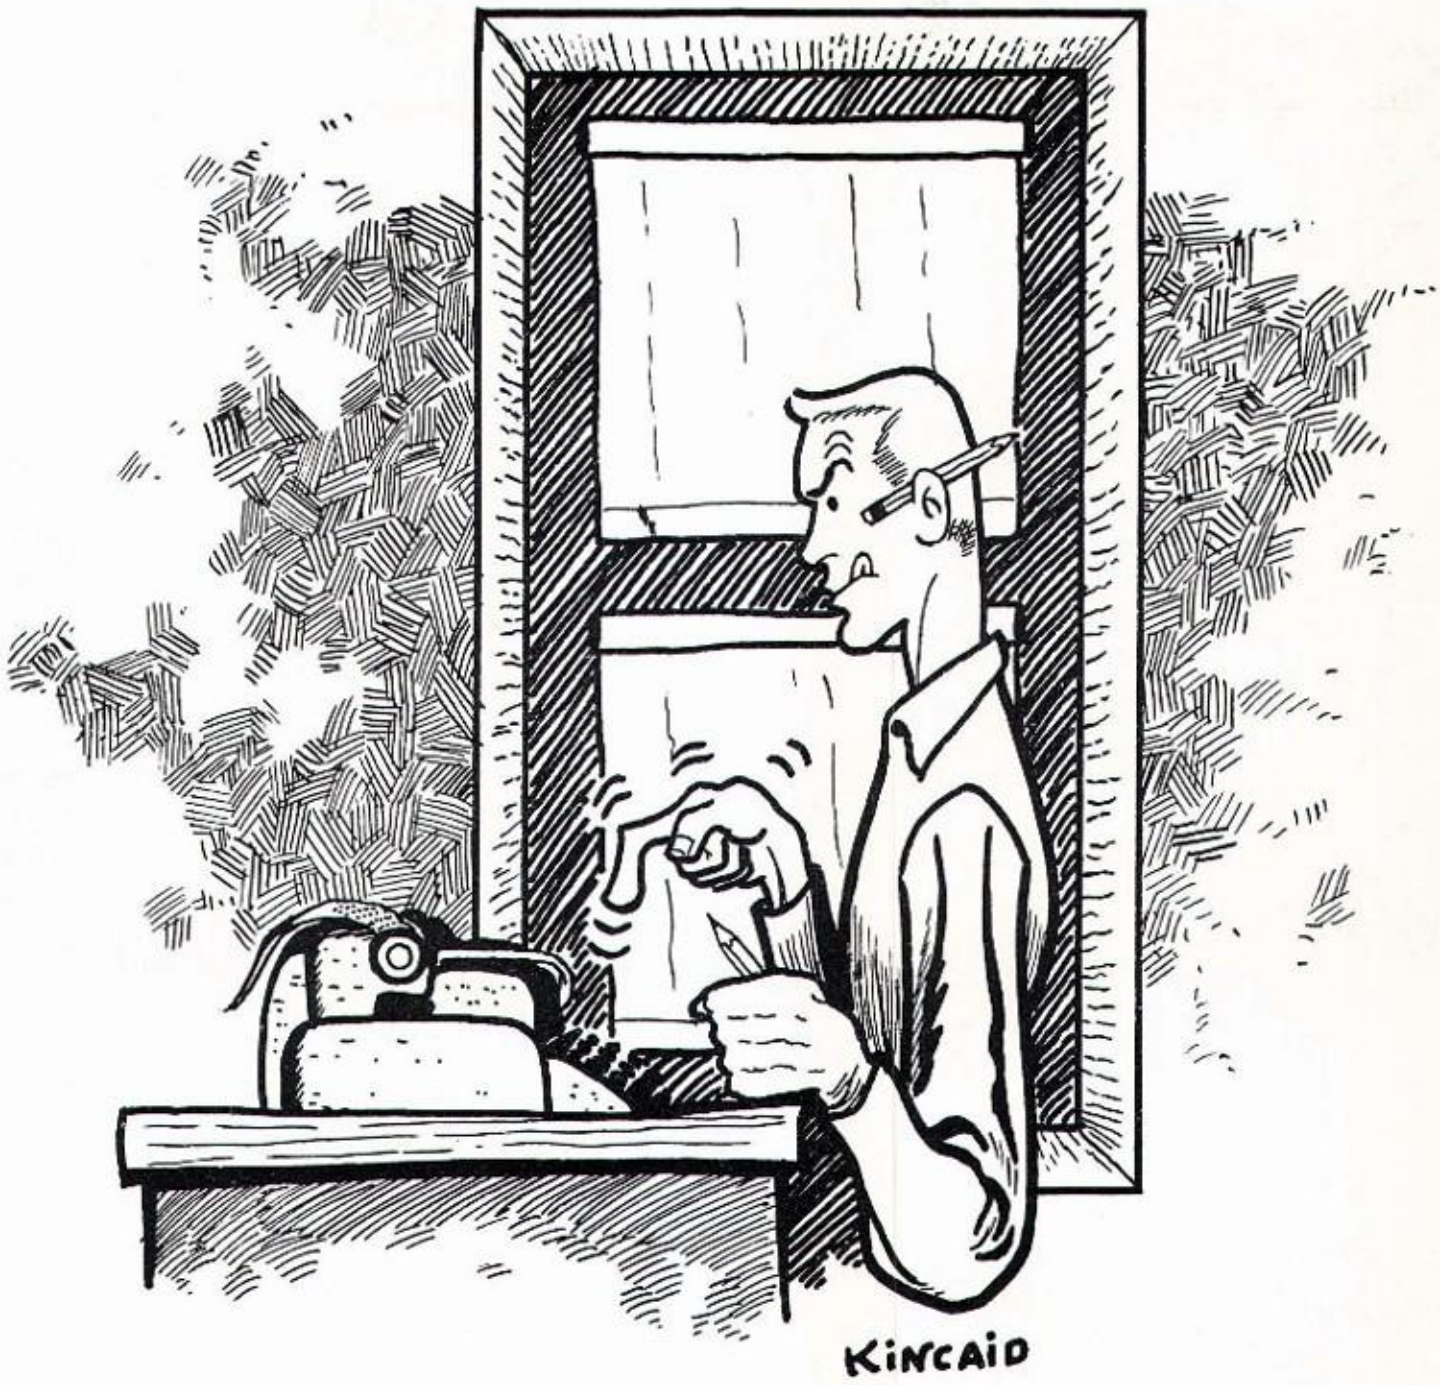
ORGANIZATIONS

ORGANIZATIONS

Under the leadership of Mr. William Craig, the social, service, interest and honorary clubs at Roosevelt High School have become more active. This year, more than ever, we would like to thank Mr. Craig for promoting friendship and fun at Roosevelt. He has promoted date meetings, joint club meetings, club sales and dances, beach and mountain trips to mention a few. During the year six new clubs were organized. They are Future Homemakers of America, Miss Tompkins, adviser; Ftuure Business Leaders of America, Miss Graham, adviser; Spanish club, Miss Richards, adviser; Ski club, Mr. Smith, adviser; Pen-its, Miss Coffman, adviser; and Traiimerii, Miss Cassanelli, adviser. All totaled, we had 42 clubs at Roosevelt this year.

Roosevelt certainly had its share of dances this year. Besides having the Teds Teen Time every Tuesday evening, there was a dance after every football game Roosevelt played at home. The scheduled dances during the year in the order of occurrence were The Sadie Hawkins dance, Christmas Formal, Sock Hop, Freshie Frolic, Debs Day dance, Cotton and Cord dance, Sketchbook dance and the Jr. Sr. Prom.



Under the efficient leadership of Joan Dennis and Truth Roberts, our weekly claimed several honors.

One of the October issues carried an editorial on Tuberculosis. This editorial, which won state as well as national honors, was written by Mickey Smith.

As a climax of our second semester elections, the Ranger and yearbook staff gave an assembly program. This program was given to introduce the newly elected officers for the second semester.

Upon several occasions we have received complimentary remarks for having improved our publications.

Ron Kincaid, who is associated with our Art staff, has done a remarkable job with the division pages of this book. His ability as an artist is outstanding. His nature and personality lends toward perfection in his chosen talent.

We are grateful to Shirley Colvin for her patient efforts in writing and rewriting the index of this book.

Much credit is due the entire staff for the keen spirit of cooperation shown in this wonderful piece of work.

As an indication of having improved this yearbook, we have included twelve additional pages. With the efficient cooperation of the student body at Roosevelt High School, we anticipate a bigger and better yearbook in the years to come.

Memorial Honors Deceased Graduate

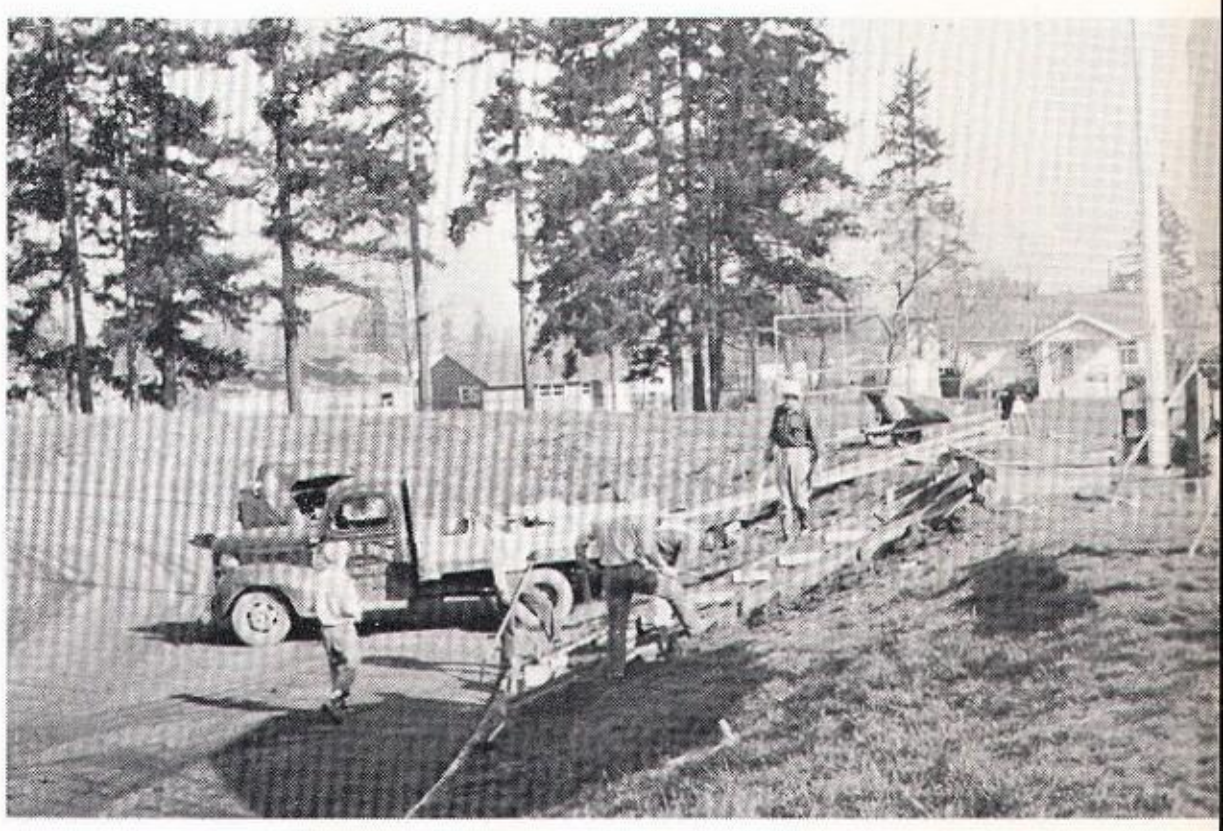
Seldom is there one particular student who leaves behind to school and loved ones, such proud and fond memories as has the late Stan McGuire.

Stan graduated from Roosevelt in 1945. He was active in all sports activities. He was all-city in football, and outstanding basketball, baseball, and track.

Stan's Mother was the president of the P.T.A while her children attended school, and was honored last February, along with other past P.T.A. presidents, at the Founder's Day Meeting.

After graduating from high school, Stan (Mug) McGuire, as his friends called him, enrolled at the Oregon State College in Corvallis. When he was only a sophomore, he was playing varsity football. By the time he reached his junior year, he had won all coast acclaim for his outstanding feats on the Oregon State team. When he was a senior his teammates chose him as their captain.

It was in January of his senior year in college that Stan was involved in a tragic tobogganing accident which ended his life and his football career.



Peninsula school's faculty and students, and Roosevelt's Dads' club conceived the idea to erect a permanent memorial in Stan McGuire's honor.

All contributions made it possible to offer some boy, not of necessity an athlete or a top scholar, a scholarship worth $180. The following clubs donated money: Peninsula school—where the Memorial originated; St. John's Business Men's Clubs; Roosevelt students, faculty, Dads' Club and the P.T.A.

Friends of the various clubs also responded to the cause. Pacific Building Materials—Ready Mix concrete; Zuber Brothers Contractors—furnished truck, lumber and foreman finisher; Wes Overall to build forms and to direct placing and finishing concrete; Soule Steel furnished reinforcing steel.

Labor for grading, setting and placing came from Dads, Bob Luening, Gerald Carter, Owen Lynch and Bill Hastay. Roosevelt students Jack Weiblin and Code Farris worked on the excavation.

The **Ranger** would like to make known the efforts of the following businessmen who have devoted time, materials, and work to such a worthy cause.

Bun Thornton, Ready-Mix Concrete Co., Foot of Morris St.

Leonard Zuber, Zuber Bros. Contractors, 3600 S. E. 28th.

Mr. Fred Webster, Soule Steel, N. W. 35th and St. Helens.

Mossbarger Studios, 8226 N. Jersey

Mr. Wes Overall, 10447 S. E. Harold.

A formal dedication is planned for the first home game of next year's football season. A bronze plaque, gift of Roosevelt student body, will be placed during the ceremony. The plaque is to read, "Dedicated to the memory of Stan McGuire."

P.T.A. The P.T.A. has had a most successful year. Interesting meetings, with good attendance. Special interest in scholarship and school activities.

SADIE HAWKINS DAY

Twirp week arrived at Roosevelt early in 1954 and was greeted by the cheers of the boys and the sighs of the girls as they made ready to catch their man. At the Dance Dave Wanaka and Marilyn Larsen walked away with the title of the most appropriately dressed couple.

Student elections were a very important part of school activities. Here, the senior social studies students take care of the polls while the undertermers acquire their ballots to vote for the candidates of their choice.

The political campaigns for the different offices were the most active in the history of the school. During both elections the halls were decked out in campaign posters of all different sizes and shapes.

Theodore Roosevelt's birthday was celebrated by the student body with the annual assembly. Fall term student body president, Charles Geldaker, pins the wreath on the bust of the school's namesake.

The pep squad put on several assemblies during the year. Here they are planning to go to Eugene via scooters, roller-skates and wagons. (Roberta Lindquist, Joanne Coad, Dick Kennedy, Nancy Eyestone, and Lillian Ragan.)

Garold Gardner, winner of several speech events, entertained the student body with his rendition of "The Flea Gang's First Cigar" in one of the assemblies. He is holding the trophy he won at the Linfield speech conference.

The Easter assembly was put on by the Hi-Y organizations of Roosevelt. Spartacus and St. Johns Hi-Y sponsored the semi-religious program with the help of the music department.

SPORTS

Football at Roosevelt

The Roosevelt Roughriders went through a very successful football season with six victories against only three reversals. With Mr. O'Neil at the helm for his third year he led the Teds to a victorious season with Mr. Younce as assistant coach. The Teds setbacks were at the hands of three of the top ranking teams in the state, Jefferson and Benson in league play and Grants Pass in the opening game of the season. All of these three teams went on to the state playoffs. Two of the Ted's senior backs, Herman Winterholler and Curtis Knight were voted to the All-City team with Jim Wilkerson, tackle, and Luther Strong, end, placing on the second team. Center Doug Mineau and Guard Jerry Kadlac were placed on the third team. An all senior squad, this years team could have gone all the way with a few breaks. With Norm Peterson directing the team from his quarter-back slot and fleet footed Bob Flood and Herman Winterholler at the halfbacks and Curtis Knight at Fullback the Teds had both speed and power in the backfield. Rounding out the line were guard Bill Harrison, tackle Ben Cathcart and end Bill McCoy. Don Coffin was a stalwart in the middle of the Ted defensive line along with Jim Ellis, and Denny Rodin at the end position. Other seniors who played an important part in the Teddy football fortunes were Ed Bernhardt, fullback; Roger Barbour and John Warren, halfbacks; and Fred Lorenz end. With only one week of practice the Teddies took on the always powerful Grants Pass Cavemen. The Teds played on even terms with the Cavemen in the first half and left the field with a 13-7 advan-

tage. In the second half the Teds fell victim to the Cavemen power and experience as they went on to post a 26-13 victory. Eventually, Grants Pass advanced to the state finals and missed only by inches and precious seconds of becoming state champions.

Roosevelt drew Washington in the Jamboree and went on to defeat them 47-0. The closest game was against Grant when the Teds edged out a 7-6 victory in a game played on a field of mud. Cleveland also gave the Teds a scare when they came within three points of the Roughriders 25-22. Other victories the Teddies chalked up during the season were 21-0 over Lincoln, 26-0 over Franklin, and a post season 13-0 win over Astoria. In the Astoria contest, by mutual agreement only sophomores and juniors were allowed to play in the second half. The game was played in a quagmire of mud but the underclassmen showed a good deal of promise. Next year Roosevelt will have an experienced signal caller in Mel Sweet and excellent runners with Arliss Deitz, George Jannsen and Julius Strong heading the list. With Eugene Wilkerson, Dick Larson, Don Wettstead, Eddie Reynolds, and Mickey Gray returning; the Teds will have a good line which shuld give opposing teams plenty of trouble. Ends Jewel Bailey and Gary Gorsline will prove good targets for quarterback Sweet's aerial thrusts. Roosevelt, as always, should field a good football team again in 1954.

Marv Rassmussen's Whiz Kids Win City Title

The Teddies went a long way by winning the city title and coming home with the fourth place trophy from the State Tournament. Marv Rasmussen coaching his fourth year at Roosevelt, worked his five seasoned veterans hard and finished the season with 22 victories and 4 losses. This will be a record for one of his teams in the future to try and break. The team was well balanced with a strong bench, plenty of spirit and hustle. They played as a team without individual stars. Each of the starting five played well throughout the season and all gained births on the all-city team. Rich Curtis and Bill Wiitala, guards, and Dave Wanaka, forward, made the "dream team." Dennis Rodin, forward, made the second team, while Chuck Geldaker, center, received honorable mention. Curtis was the scoring leader of the team. Wanaka led the team in rebounds and was the preseason high scorer. Wiitala was the captain and long shot artist of the team. Geldaker hit his peak at the state tournament and led the team to fourth place. Rodin scored well throughout the season and was the most improved player from the preceding year.

The Teds losses were to the State Champs, Milwaukie, 76-56 in a preseason encounter as the Mustangs fired over a .500 shooting percentage. The first game of the season down at Salem was dropped 50-46, but the Teds downed the Vikings later to even the series. The only loss in the city league was to Benson 58-48, mainly because the team was without the service of center Geldaker. The Teddies gained revenge on the Mechanics and toppled them 60-57, at the state tournament, while both teams were at full strength, and for the second straight year in tournament play lost to little Clatskanie 63-61.

JUNIOR VARSITY ENDS SEASON IN 2nd PLACE

The spirited but heightless five of Mason McCoy lost the final game of the season to drop them into second place and leaving the Championship trophy to Jefferson. Lacking height under the boards gave their opponents advantages but spirit and hustle by guards Darryl Russel, Chuck Gantor, Mike Bopp, and Jay Blair made up the lack of height. The front line scoring bunch who kept the scoreboard blinking was composed of Don Royse, Belton Ollison, Alan Ramsdal, Denver Vance, and center, Don Murray, who scored over 200 points during the season.

FRESHMEN TIE FOR CITY CHAMPIONSHIP

The freshmen worked hard this last season under the tutoring of Mr. O'Neil and ended the season in successful fashion with a co-championship with Cleveland. Coach O'Neil worked his players long hours in early mornings on hustle and team playing preparing them for their Tuesday afternoon games. High scoring guard Bob Frederickson held a 20 plus per game average during the Baby Bears seven league games. Height was a main factor in their Championship as Tom Brown, Darryle Carpenter and Vern Sarvola rebounded strongly. Duane Gatherer was the team playmaker and feeder. These kids will make excellent material for Mason McCoy's junior varsity and Marv Rasmussen's varsity next year.

Baseball Nine Ends Season in Second Place

The Roosevelt baseball team concluded a very successful season with a league record of 10 wins and 4 losses. Their overall season record was 12 wins and 6 losses counting pre-season games. The Teds finished second in the league standings and thus qualified to meet the A-2 district winner. The victor in this ball game will go to the state tournament at Albany late in May. The Teds with eight returning lettermen and a new coach taking over the reins were picked by the railbirds to finish a dismal seventh. With Big Bill Wiitala and Norm Peterson heading the mound staff the Teddie pitching appeared strong. Curtis Knight put his infielders glove in mothballs and donned "the tools of ignorance" behind the plate. The infield consisted of Norm Peterson at third, Chuck Ganter at short, Larry Shaw at second, and Dave Wanaka holding down the first base slot. When "Pete" was pitching Arden Munsen was available for the hot corner. With Ron Goggin and Bob Thierman alternating in left, Len (Snook) Olsen in center and Mickey Gray and Wiitala alternating in right the Teds had a very good outfield. With the opening game delayed six days due to inclement weather, Roosevelt finally opened at home against Grant. Bill Wiitala turned in a two hit masterpiece and defeated the G-men 2-1. Roosevelt completed the first half undefeated with Wiitala accounting for four victories and Peterson with three. With the strain beginning to show on the two man pitching staff, the Teds dropped four of their seven games in the second half The rain played an important factor in these games. Roosevelt played four games in five days in closing out the first half. When Wiitala's arm stiffened because of too much pitching the brunt of the hurling went to Norman Peterson. "Pete" appeared in eight of the fourteen games Roosevelt played. He came out of this ordeal with a very respectful 4 win and 3 loss record while Wiitala had a 6-1 record. Roosevelt had some tough luck in the first Franklin game. Roosevelt came out in this game a 4-3 winner but had to sacrifice the services of their first string catcher, Curtis Knight. He suffered a broken hand in a collision at the plate with the Franklin pitcher. The Teds also lost their shortstop Chuck Ganter with pneumonia late in the season. In both cases the Teds had very capable replacements with Don Wettstead taking over behind the plate and Jim Springer taking over the short patch guardianship. Before Knight's misfortune he was hitting well over .300 and "Gandie" was just beginning to hit the ball well. Roosevelt's hitting was more than was expected. With Wanaka and Wiitala both hitting over .400 the Teds had two of the top sticks in the city. Norm Peterson, Ron Goggin, Larry Shaw, Bob Theirman all hit over .300 as the Teds had fine support at the plate.

Cindermen Having Successful Season

Going into the final weeks of the cinder season the Teddies have shown great promise for the City and State meets which will end the track schedule. Mr. McCoy has coached and worked his boys into top condition preparing them for the city meet and they have produced one of the fastest teams in the state. Three year lettermen Julius Strong, Arlis Dietz, Herm Winterholler, Bob Flood, Bill McCoy, Ron Wylam, and Rich Curtis have carried the load for Coach McCoy. Roosevelt captured four first places in the City Relays but Grant and Jefferson outpointed the Teds by capturing more seconds and thirds. Jefferson won with 39 points on three first places and Grant was second with 38 on only one first place and Roosevelt third with 37½ points. The 440 yard relay team (J. Strong, Winterholler, McCoy, Deitz) took second in the State Relays at Eugene and the 330 relay (J. Strong, Deitz, John Warren, Luther Strong) placed third. The shuttle hurdlers garnered a third (Flood, Winterholler and Curtis), but the two mile relay (Sam Bennet, Berry Law, Rich Hoisington, and Wylam) failed to place.

In dual meets the Teds have toppled Grant in a relay meet, Franklin and Washington. In a dual meet with Jefferson, we fell victim to defeat 48½-54½ and to Grant 50 5/6 - 52 1/6. In these two meets Julius Strong turned in two 10 flat hundreds and a 21.8 and 21.4 220.

The Teds biggest dual meets have been against Grant and Jefferson. Against Grant sprinter, Julius Strong ran the century in 10 flat and the 220 in 21.5 producing two of the fastest times in the state but Grant outpointed the Teds 52 5/6 - 50 1/6. Grant fell victims of defeat in a relay meet to Roosevelt by a wide margin. Victories for Roosevelt have been chalked up over Washington and Franklin while Jefferson defeated the Teds by six points.

Other top performances turned in by Teds have been Deitz's 52.3 in the 440, Flood's 15.7 in the high hurdles, Wylam's 4:37.8 in the miles and the 880 relay's time of 132.2. Glen Johnson and Russel Thorne have gained points in the pole vault: Tom Morris in the 440, Curtis and Winterholler in the low hurdles, Warren in the 100 and 220, McCoy and Ed Bernhardt in the shot put, Luther Strong in the broad jump, Bennet and Law in the 880, and Pat Christensen and John Petke in the mile.
